

Manager's Message

Well now that we are finally through with the renovations at both clubs hopefully things will get back to normal and we can start building up the participation at both clubs. We plan on doing this by providing some new programs, quality products and outstanding service.

We recently added a room charge for all rooms that are used for meetings, conferences and other occasions. This room charge will not be levied if food and beverage sales exceed the cost of the room rental. There is no room fee if a member books a room for a "personal" function. For more information contact Marge at the O' Club at 612-713-3672 or Liz at the E' Club at 612-713-1674.

Make your reservations now for the annual **Mothers Day Buffet** to be held **11 May**. There will be two seatings once again. You have your choice of 11:30 or 2:00 and the cost is \$17.95 for adults, \$8.95 for children under 12 and free for children 4 and below. This will be held at the O' Club and is open to all club members and their guests.

Our **Seafood Buffet** returns on the **30 May**. Make your reservations now. The cost is \$21.95 and will feature a vast array of seafood delicacies. This will be held at the O' Club and is open to all club members.

For those connoisseurs of Fine Dining, Chef Erich will feature a "**Gourmet Night**" on Wednesday the **4 June**. This will be a five-course meal that is fit for a King, and a Queen of course. Reservations are open to the first 30 members that sign up no later than the 24th of May and the cost is \$40 per person. Bon Appetitt.....

BINGO is held every Friday night at the E' Club and is open to all club members. Also at the E' Club the first Saturday of each month is our very popular **Karaoke** contest. Don't miss this night of great entertainment. Who knows, we may discover the next American Idol!

In closing I would like to thank all our members for supporting their clubs and request your continued support in the future so that your clubs will continue to be there for you and your guests.

Services Featured Employee

Mike Svenddal

Mike has been with the North Country Lodge as a custodial supervisor since December 01. This is his first experience working for the military community. He's from Bloomington, so living close to work is a real benefit for him. He also enjoys his coworkers and manager. They've developed a fun team to work with.

Mike is married and he and his wife, Jeaneen, have two children, Erik, 22 and Kelly, 15.

Mike loves to spend as much time as he can every summer camping and bike riding. On a nice fall day, he loves to go to Rosemount Appleside Orchard and pick apples with his family. He also enjoys drive-in movies and attending Twins games. He's hoping the Sporting News prediction that the Twins will win the World Series comes true.

Hats off to another great SVS employee!!
